<http://plants.usda.gov>  
National Plant Data Center, Baton Rouge LA 70874-4490

United States Department of Agriculture Natural Resources Conservation Service PLANTS DATABASE. Database provides comprehensive information about the vascular plants, mosses, liverworts, hornworts and lichens of the U.S. and its territories.

**WEST VIRGINIA NATIVE PLANT SOCIETY**

***These native plant and seed sources are provided by the West Virginia Native Plant Society. To the best of our knowledge, these sources do not dig plants from the wild to sell. Plants are propagated from nursery stock or responsibly collected seeds. Please report any infractions to this policy. The WVNPS does not endorse nor recommend any individual nursery and is not responsible for the accuracy of claims made by those organizations included in this listing.***
